

Welt Electronic SpA

since **1985** at your service

Founded by three successful professionals, Welt Electronic is now a solid player in the sale and distribution of electronic components for the industrial and lighting markets. With its Converting department, specialized in cutting and processing technical materials, the company offers customized, high-quality solutions. Today, Welt is part of the Steliau Technology Company Group.

WHERE WE ARE

CRIBIS PRIME COMPANY: for seven consecutive years Welt Electronic has won the major company reliability certificate, released only to companies with a constant high reliability and are virtuous in payments to suppliers.

PLIMSOLL CERTIFICATE: Plimsoll Publishing Ltd are the world's leading provider of market reports and company analysis. Plimsoll only awards a select number of companies in their individual industry sector. Receiving the award indicates that Welt Elctronic has improved its overall financial health based on their assessment of its performance whilst achieving solid sales growth.
